JOIN US FOR ICPIC 2015

It is our pleasure to invite you to Geneva, Switzerland, for the 3rd International Conference on Prevention & Infection Control (ICPIC 2015) to be held from 16 to 19 June, 2015.

- ICPIC is a unique forum to foster knowledge sharing and exchange experiences for the prevention and control of healthcare-associated infection and antimicrobial resistance around the world.
- ICPIC brings together professionals from over 100 countries with a focus on supporting participants coming from developing countries.
- The ICPIC programme features keynotes, symposia, controversies, free paper and meet-the-expert sessions in addition to the unique and very popular ICPIC Innovation and Implementation Academies and ICPIC video contests, complemented in 2015 by new features and surprises.
- Around 100 oral free papers and about 450 selected posters will be presented during the meeting.
- Acknowledging the fact that a delegate cannot profit from the entire panel of the programme, sessions will be recorded and made available after the meeting providing an enhanced participant experience.

Join us for ICPIC 2015 and be part of this unique vibrant and inspiring international meeting!
